*** DUE TO ONGOING RUNWAY MAINTENANCE, SAW AIRPORT WILL HAVE RESTRICTED RUNWAY CAPACITY (24 ARR / 24 DEP / 30 TOTAL) FOR W25 AND S26 AT RUNWAY CLOSURE TIMES.

TIMETABLE SHOWING RUNWAY CLOSURE DATES AND TIMES CAN BE REACHED VIA FOLLOWING LINK: <https://dhmi.gov.tr/Sayfalar/Slot/SAW.pdf>

****Additionally, during the time zones where both runways are available, it has been decided that a maximum capacity of 5 per hour will be used for main base carriers' ferry flights (without passengers), cargo flights, and general aviation flights that do not occupy the passenger terminal, with a maximum of 3 Arr + 3 Dep. This total capacity will not create any historical rights.
